

PROJECT CHARTER	
Project Name	Cook of the Wild
Date Produced	October 17, 2022
Project Goals	The project aims to supply a database of recipes and information on how and what to cook for players.
Project Objectives	This project should include an interactive UI and a database of information to pull from. The user should be able to search for recipes or ingredients they wish to make use of to help them. Additional non-essential goals can include user accounts, favourite recipes, recommended recipes, or ingredient locators.
Project Budget	\$0; 8hr/wk
Project Sponsor	Tim Maciag - Stakeholder/Sponsor
Project Manager	Mikayla Peterson – Project Manager/Scrum Master
Additional Key Project Stakeholders	
Tim Maciag - Stakeholder/Sponsor	
Overall Project Milestones	Dates
Project offer documentation due	October 17
Fundamental groundwork due	October 31
Project progress check-in	November 14/16
Project demonstration/MVP due	November 28/30
Overall Project Risks	
<ul style="list-style-type: none"> - Project completion and performance relates to our grade (as opposed to monetary investment) - Security risks using/accessing databases
